# ULSTER SHORT CIRCUIT CHAMPIONSHIP

The following rules have been agreed by the **MCUI(UC) Tarmac Committee...** 11/01/17

1. Three classes in the Ulster Centre Championship will be sponsored by Avon Tyres.  
They will be known as:-

Avon Tyres Lightweight Supersport Ulster Championship  
Avon Tyres Stock Twin Ulster Championship  
Avon Tyres Supertwin Ulster Championship

2. To compete in any of the three named championships, a rider must register in writing on the appropriate form with the championship registrar Ivan Davidson.

3. A rider may register or de-register at any stage of the racing season. However, championship points will only be awarded during the period of registration.

4. Should a rider decide to de-register prior to the end of the season, that rider will still be credited with the points accrued at that time and be eligible for awards.

5. Only Avon tyres obtained from the appropriate source (for the 2017 season, Ivan McKillop Motorcycles) may be used, and must be used at all times.

6. Immediately before each race, a number of finishing positions within each Avon championship race will be recorded and sealed. At the end of each race the machines finishing in these positions will be held in parc ferme and the tyres checked. Furthermore, any machine may be checked at any time.

7. Any rider found to be using another brand of tyre or an Avon tyre from an unapproved source, shall forfeit any points gained on that day.

8. Podium presentations will take place for the top 3 finishers over both races where Avon caps will be presented. Final positions will be determined on aggregate and based on the riders position in the second race in the event of a tie.

9. £5.00 from the sale of each tyre will be added to £1,000.00 donated by Avon tyres, for the end of season prize fund for each of the three classes. This only applies to tyres purchased from McKillop Motorcycles as detailed on the contract.

10. Only those riders who've purchased tyres from McKillop Motorcycles will be eligible for a share of the prize fund. This does not affect championship points or trophy awards.

11. All riders that sign up for the championships to display 3x Avon stickers for the whole year.

12. All Championship rounds in the North, the first trophy presentation to MCUI registered riders plus awards for this individual round for 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> to MCUI riders running Avon Tyres. The Irish championship riders or riders using other brands of tyres have a 2<sup>nd</sup> presentation for points.
